ORDER
PRN 1661101

By its request (PRN 1661101) filed on behalf of Marina District Development Company d/b/a Borgata Hotel Casino & Spa (“Borgata”), Borgata seeks an amendment to its Casino Hotel Alcoholic Beverage (CHAB) license to authorize an outlet to be identified as “Vintage.” Vintage will be located on the first level of The Water Club at Borgata in the retail promenade. This proposed outlet is intended for the retail sale of alcoholic beverages, primarily wine and no malt alcoholic beverages, in their original containers for consumption outside of the premises of Vintage. For such use, Borgata seeks a Type III (package goods) authorization for the outlet. In addition to the sale of package goods, Vintage will also operate a wine bar for the on-premise consumption of alcoholic beverages. For such use, Borgata seeks a Type II (lounge) authorization for the outlet. In addition to the sale of alcoholic beverages, Vintage also anticipates the sale of merchandise reasonably related to the enjoyment of wine.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, and the regulations of the Division at *N.J.A.C. 13:69I-1.4(d)* and *N.J.A.C. 13:69I-3.3(e)* which authorize the Division to issue both a Type II and a Type III CHAB authorization for the same

location, I hereby ORDER that the request be granted and authorize the amendment of the CHAB license of Borgata to include a Type II and Type III location to be known as Vintage.
